Three different levels of membership will be established, making for a Keio Plaza Hotel experience that offers you more every step of the way. "Plaza thanks points" will become easier to collect, and members will enjoy greater convenience as well as an expanded variety of attractive advantages.

Wider variety of members' exclusive advantages

- A counter for exclusive use when checking in (in Keio Plaza Hotel Tokyo only)

※ These privileges apply to guests staying at the members rates.

Keeping in better touch with our guests from outside Japan

A new look for our non-Japanese webpages, and a new Facebook presence

The Keio Plaza Hotel fully renewed its websites in four non-Japanese languages this spring, improving their content and usability. In addition, the hotel now has Facebook pages in English and Thai. This makes it easier than ever to stay informed of the hotel's seasonal events, new services, and the gourmet restaurants beloved by guests from around the world. More rewards for staying than ever before

Gain more "Plaza thanks points" when staying than ever before, regardless of your membership level. Enjoy your stay at the Keio Plaza Hotel, gather more points, and make the most of it. (Beginning in October 2015)

Earn and use your points in various ways.

Your points can be employed more flexibly. Settle accommodation charges, reduce dining or drinking expenses at restaurants and bars, upgrade your guestroom, or take home some original items or special gifts, for example. Points will be equally valid at the Keio Plaza Hotel in Shinjuku, Tama, Hachioji, and Sapporo. As one example, points earned during a business trip to Tokyo can be redeemed later while staying at our Sapporo hotel on vacation.

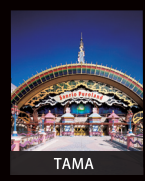

※ For more details on what your points can do for you, be sure to see coming issues of PLAZA EXPRESS.

Fresh views on traditional Japan

Hina-matsuri
(girls' doll festival)
—a traditional rite of spring

For centuries, Japan has welcomed the spring with the *Hina-matsuri* festival, an event characterized by colorful, gorgeous decorations and dolls. Until the end of March, the whole of the Keio Plaza Hotel will be celebrating this tradition. Elegant hanging ornaments and rare antique *goshō ningyō* (dolls cherished by the Imperial Family) will be on display. Also, nine of the hotel's restaurants are offering *Hina-matsuri* specials.

Activities

Hanami (cherry blossom viewing) in Tokyo:
Let joy bloom!

Hanami, or the appreciation of blossoming cherry flowers, is an essential part of Japan's spring. Near the Keio Plaza Hotel lies Shinjuku Gyoen, where some 1,300 cherry trees of about 65 species blossom over a month or so. Tokyo has numerous excellent spots for *hanami* — Ueno Onshi Park, Chidori-ga-fuchi, and many others. Enjoying the trees from a boat on the Sumida River, with its views of the new Skytree Tower, is particularly recommended.

Special room rates for Executive International Club members
