## New Tourist Information Center

The Central Honshu Information Plaza in Keio Shinjuku is where you can purchase discounted highway-bus tickets to the Hokuriku area, which boasts the highly popular tourist spots of Matsumoto, Takayama, and Shirakawa-go, as well as many others.

The Central Honshu region is a place to get close to nature, with hot springs, ski runs and hiking trails. The Takayama Festival has been called one of Japan's most beautiful festivals.

The Information Plaza's friendly staff can assist you in reserving accommodations, and can provide sightseeing tours to a variety of locations. Language support is available in Japanese, English and Chinese. Online translation, using tablets, is available in English, Chinese, Korean and Thai.
